Step 2 of 5

What do you want to achieve? ✨

Select the goals that matter most to you. This helps us personalize your content plan and recommendations.

Increase sales

Drive more purchases and grow your revenue.

Generate leads

Collect quality leads and convert them into customers.

Grow followers

Increase your audience size across social platforms.

Boost engagement

Get more likes, comments and shares on your content.

Brand awareness

Make more people aware of your brand.

Website visits

Drive more traffic to your website.

Tip ✨

Choose goals that match your priorities.

Selecting the right goals helps us personalize your content ideas, captions and strategy to get you better results.

Step 4 of 5

We're learning about your brand

Sit back while we analyze your connected accounts to understand your content, audience, and brand voice.

Analyzing your account

This usually takes less than a minute.

Please keep this window open while we work our magic.

	Profile health Checking profile completeness, branding, and consistency. Completed		Best posting times Finding when your audience is most active. Pending
	Top-performing content Identifying your best content based on engagement. In progress		Content categories Determining your top content themes and topics. Pending
	Posting frequency Analyzing how often you post and consistency patterns. In progress		Brand voice Understanding your tone, style, and messaging. Pending
	Audience engagement Measuring likes, comments, shares, and interactions. Pending		

Your data is secure and private. We only analyze publicly available content and insights.

Social Health Result[✦]

Here's how your brand is performing across social media.

Anaya Bakes ▾

Your Social Health

Great job! Your brand is performing well and building a strong presence.

You're doing many things right. Keep the momentum going and focus on a few key areas to reach excellence.

Reach

125.4K ↗ 18%

Total people who saw your content

✦ Good

Engagement

11.2K ↗ 22%

Likes, comments, shares & saves

✦ Good

Posting Consistency

78% ↗ 12%

You're posting regularly. Keep it up!

✦ Good

What's working

- ✓ Your engagement rate is higher than last month.
- ✓ Reels are getting great reach and saves.
- ✓ Your content is consistent and on-brand.

Needs attention

- ⓘ Some posts have low engagement.
- ⓘ Not enough CTA usage in recent posts.
- ⓘ Best posting times are not fully optimized.

Recommendations

Actionable steps to boost your social performance.

Post more Reels

Reels get 2.3x more reach than other post types. Create more short, engaging videos.

Use stronger CTAs

Add clear calls-to-action to boost engagement and conversions.

Schedule at best posting times

Your audience is most active between 6 PM – 9 PM. Schedule posts during this window.
